We have a seat available for an Interior Architect!

It's not only what you can offer but also who you are! Within our team we have a vacancy for an experienced interior architect / interior designer with passion for creating luxurious interiors that stand out with a great attention to detail. Our new colleague will be involved in the whole design process of "Conceptual design" through the detailing of the interior. Here we give great importance to the choice of materials, colors and the harmony of the various design elements. You can identify yourself with thinking.

"Out of the box" and balancing every detail.

Requirements:

- BA or MA interior architecture qualification (or equivalent)
- A minimum of three years professional experience in high-end hospitality and residential design
- Excellent presentation, conceptual and visualising skills
- Strong and confident client communication skills
- Proficient in AutoCAD, Adobe Creative Suite and SketchUp
- Ability to work efficiently in a fast-paced environment to tight deadlines
- Above-average sense of using color and materials
- Enthusiastic and positive attitude
- Excellent knowledge of the English language both written and spoken, knowledge of French is an advantage.

We look forward to meeting you! Please send your CV and portfolio to info@roelfienvos.com
